**Betreff:** Asia Global Fellows Program offered by the University of Hong Kong

---

Dear Christine Kyburz,

The Asia Global Institute of the Hong Kong University offers a 13-weeks fellowship program entitled "Asia Global Fellows". The Fellows would be midcareer professionals (from academia, business or industry) with demonstrated leadership experience and must have a high level of English proficiency. The program is exploring global issues from Asian perspectives, focusing mostly on public policy issues. The program is fully funded and covers housing, travel expenses, and a monthly supplemental stipend for each Fellow. The program will take place from end of August until the third week in November and is limited to 16 people. The call for applications for the 2017 program ends on March 15, 2017.

Full details about the program and how to apply can be found on the attached flyer. Any questions can be directed to Prof. Patrick Low, Program Director, or Ms. Natalie Leung, Program Administrator, both here in cc.

We thought that this call might be of interest to some people within the Swiss university network and suggest you spread the word about the program among them.

With kind regards,

Andreas
