Betreff: PhD Workshop China 2017 - Registration Opens

Dear Sir or Madam,

Greetings from PhD Workshop China 2017.

We are now pleased to announce that the **9th PhD Workshop China 2017**, hosted by China Education Association for International Exchange (CEAIE) under Chinese MOE, will continue to take place on **Nov. 18-19 in Swissôtel Beijing**, and on **Nov. 21 in Okura Garden Hotel Shanghai**.

The PhD Workshop China is especially focused on PhD student recruitment, where overseas universities and research institutions will feature their PhD programs and interview face-to-face with the top Chinese postgraduates and PhD candidates.

PhD Workshop China 2016 attracted some 150+ delegates of 80 universities from Australia, Belgium, Canada, France, Germany, Japan, Singapore, the Netherlands, Turkey, and UK. Some 1700+ China's top PhD candidates attended the workshop for the on-site meetings and interviews with overseas delegates, professors and admission officers.

There'd be countless opportunities out for your PhD talents recruitment in China. We'd now highlight you the top 3 reasons - the innovative way to help **make your participation more focused and productive**:

- Our publicity plan will continue to target the 9500 post-graduates from State 985 Project and State 211 Project Institutions as well as other key universities from various disciplines in line with the CSC-sponsored "State-funded Postgraduate Overseas Study Program";
- iSchedule system will help you pre-select and track the right candidates to allow you to carry on in-depth interviews onsite;
- Value-added service for all registered delegates – your iSchedule online account will be kept and extended to the end of the year, with which you could continue to engage with the potential candidates;

Now the **registration opens** by clicking the [easy online registration](#), or refer to the [attached Brochure](#) for more details. Please feel free to contact us for any assistance you might expect.

We are looking forward to welcoming you with us this November in Beijing and/or Shanghai.

Yours sincerely  
Harden

For and on behalf of China Education Association for International Exchange (CEAIE)
