

Running Dinner

When: 12th of December 2015 18:00-open end

Where: Zürich

Team up with a friend and prepare one course of a three-course meal at your kitchen.

Two other teams will come to your place and enjoy the food you cooked. Make your way to another team's kitchen, where you have the next course and again meet two other teams.

Same procedure for the last course.

In total, you meet twelve new people, visit two other flats in Zurich and taste two fancy dishes all in one evening!
