### ON OUR OWN BEHALF

3. **Change in the VAUZ Presidency:** In the name of the VAUZ and the UZH Mittelbau, we thank Oriana Schällibaum for her commitment as VAUZ Co-President during the previous semesters, in particular for her engagement concerning the anniversary celebrations! With Merlin Incerti-Medici of the Institute of Mathematics, the Faculty of Science provides the new VAUZ Co-President. We are pleased to welcome him to his new Office!
4. **Get involved:** Are you also interested in academic self-administration and believe it important, that the Mittelbau actively participates and its concerns should be heard? The vacancies in University committees and the VAUZ are published on our website – have a look!
5. **Support the VAUZ:** If you haven't yet paid your VAUZ **membership contribution of CHF 48 for the year 2018**, we appreciate your transfer to the **postal account 80-52929-2, IBAN CH550900000800529292**. Depending on your consequent support of the VAUZ, the more effective the VAUZ can advocate for you.

We wish you all the best for the fall semester!

For the VAUZ, with best regards,

Merlin Incerti-Medici
